Why choose The Juice Academy?

Industry-led Apprenticeship Provider

The Juice Academy is a multi award-winning, industry led apprenticeship provider which means all training is delivered by practicing industry specialists, rather than academic trainers. This means apprentices will be given not just 100% up to date technical skills but also the life skills needed to quickly progress in their career.

Partnered with Industry Experts

We have recently partnered with Smoking Gun to deliver the PR & Communications L4 apprenticeship, where all training is delivered by current industry experts. We will continue to partner with new organisations so we can increase the number of available apprenticeships and help to get even more people into work.

High Retention Rate

Our high retention rate of over 85% after completion of our apprenticeship programme is a testament to the quality of our programme and the dedication of our team.

We believe that investing in apprenticeships is not only good for the individual but also for the organisations for which they work. Our programme provides individuals with the opportunity to gain practical experience, develop new skills, and contribute to the success of the business. In return, we offer a clear path for career development and growth.

Our first apprenticeship was the first industry-led social media apprenticeship programme in the UK, where we have already trained around 600 apprentices, working with over 500 businesses. We are proud to provide a proven track record of high-quality training and development opportunities for apprentices across the country.

Applying for The Juice Academy

To apply, head to www.juiceacademy.co.uk

What next?

You submit a written application online. Your application will then be sent to The Juice Academy team to review. If successful, we will ask you to complete several assessments. If you are eligible, your application will be sent to potential employers for a chance at their interview process.

If I'm successful?

Start date with the employer could vary – but you need to be available to start immediately. You will be sent the Course Overview from the Juice team so you know when your training starts. But be prepared for a super quick process!

And if I'm not successful?

Because we receive so many applications, unfortunately we can't place everybody. If you are not successful with an employer, we do give you another chance for future intakes or we might suggest a different apprenticeship which might suit you better – either way, you're a step closer to a great career!
